

Instructions for EventsXD App (downloading, registering, searching, and other instructions)

The EventsXD App is available for iOS, iPad, Android Phone/Tablet, Windows Phone, and Windows Tablet. Go to the online store for whatever platform you have on your phone and/or tablet. Search for EventsXD in the app search.

Or

Scan the QR code below to go to the EventsXD app download page

Or

Follow this link to go to the EventsXD download page, <http://eventsxd.com/download>

After downloading the app, open it. After opening, it should present you with an opportunity to Sign Up to create a new user account. To set up the new user account you will need to provide your email address and a password. The criteria for passwords is as follows:

Password must be at least 7 characters long, with at least 1 special (non-alphanumeric) character (examples would be @, #). Password must also contain one capitalized character (in other words one letter must be capitalized).

Once you have created the account you can login, search for the conference.

One of the features of the EventsXD app that you can leverage for the conference is **My Agenda**. This feature allows you to build personal customized agenda for the conference.

If you wished to unfavorite an item just click on the green star again to clear it.
